Kiwanis Club of Hermosa Beach Meeting

Date: September 24, 2008

President's Message

The Needs of Young Children are priority One of Kiwanis

The Kiwanis mission is the belief that the most effective way to enhance a community is to enhance its children. When you give a child a chance to learn, experience, dream and succeed, great things will happen. The opportunity to perform community service and develop leadership skills is fundamental to the Kiwanis purpose and experience - for children and adult.

Kiwanis members improve communities one child at a time.
